I have no greater joy than to hear that my children are walking in the truth. 3 John 1:4

Dear Trinity Christian School Family,

It is an honor, privilege, and joy to serve as your Head of School. This is going to be an amazing year of growth for our school. We salute our School Board in the leadership and support they have demonstrated over the years. Great appreciation is extended to the Teacher and Support Staff who constantly exemplify the love of Christ and the passion to teach.

We are delighted to partner with you this year and in the years to come. We all have a purpose to fulfill in your child's emotional, intellectual, and spiritual development. It is my prayer that we walk in unity, serve one another in love, and continuously seek the wisdom of our Heavenly Father.

I encourage you to be involved in PTO, volunteer in your child's class, and attend all of our school events. Your voice and presence is important for your child's educational and social growth. In addition, your input is valuable to the School Board, your child's teacher, and to me as I lead TRINITY CHRISTIAN SCHOOL in our next developmental process towards excellence.

Please do not hesitate to contact me if I can be of any service to your family. I close with the following prayer for our Trinity Christian School Family:

"As a prisoner for the Lord, then, I urge you to live a life worthy of the calling you have received. ² Be completely humble and gentle; be patient, bearing with one another in love. ³ Make every effort to keep the unity of the Spirit through the bond of peace. ⁴ There is one body and one Spirit, just as you were called to one hope when you were called; ⁵ one Lord, one faith, one baptism; ⁶ one God and Father of all, who is over all and through all and in all." ATTENDANCE

Absences

Elementary/Middle School Grade

Trinity Christian School requires that a M.S. student not be absent more than 10 days per semester in order to fulfill the attendance requirement of the Promotion/Retention Policy. An Elementary student must not be absent more than 21 days or more per school year in order to fulfill the attendance requirement of the Promotion/Retention Policy.

Tardies

It is important that students arrive on time. When a child is tardy to school, they start their day unsettled. Late arrivals are not only disturbing to your child but to the entire class. They also disrupt or miss out on community prayer time and morning class work. Excused tardies are noted as: communicated doctor appointments with a doctor's note, a reported traffic delay or family emergency.

Elementary/Middle School

Three (3) unexcused tardies within a semester is considered excessive and unacceptable. Three (3) or more unexcused tardies will result in a detention for KP – 8th grade students. Excessive tardiness may be calculated as follows: (due to the additional loss of academic time,) every five (5) unexcused tardies will (be equal to one (1) absence.)

CODE of CONDUCT

All staff and students of Trinity Christian School are expected to uphold the Christian values as represented in the school Mission Statement and Statement of Faith. Love and forgiveness will be an integral part of the discipline of a student. Following these guides creates the loving Christian environment our school strives to maintain and provides for an optimal educational environment.

Behavior Standards

The basis of any behavior model at Trinity is to teach our students how to make positive choices in a loving and nurturing environment. Trinity Christian School has adopted the Capturing Kids' Hearts (CKH) program as our Behavior Model for Pre K- through Middle School. The program is based on the belief that, "If you have a child's heart, you have their head as well." CKH helps children learn to make positive choices which lead to their personal best.

Classroom behavior plans will be based upon intrinsic motivation. Extrinsic motivation will be used in an appropriate, yet minimal, fashion only when combined with an intrinsic plan. Whenever possible, positive visual aids will be included in classroom behavior plans.

Redirection and prevention techniques will be used to avoid possible conflicts and behavioral incidents. When redirection and prevention techniques are not an option or are ineffective, separation may be used. Separation is appropriate when used to remove a student from a situation in which the student cannot control his or her behavior and only for the length of time necessary for the student to regain self-control. Separation should be addressed as a positive time for the student to regain self-control as opposed to a punishment. Separation may also be used when negative behavior creates a situation that endangers any student or staff. This allows the teacher to care for the safety of all students. Staff will never humiliate, isolate, or make a student feel badly about himself/herself.

Upon the occurrence of an inappropriate behavioral incident involving more than one student, the supervising staff will first verify the safety and wellbeing of all students involved. This will be followed by addressing the student(s) displaying the negative behavior. The staff member will ensure that the student(s) understand what behavior is being addressed, understand the effects of the behavior, and will provide the student(s) with tools to appropriately avoid such behavior in the future. All handling of behavioral incidents will be conducted in an age-appropriate manner and time period.

Any behavior that cannot be managed within the approved classroom behavior plan must be reported immediately to the Administration.

Personal Technology

It is our desire to include technology as much as possible in our learning environment. However, we do know there are times when personal devices can be a distraction. Tablets and cell phones are not permitted during school hours as well as extended care, unless used for academic purposes as deemed necessary by the teacher or administrator. The said devices will be confiscated by the teacher or administrator, if seen during school hours or extended care. In the case a tablet or cell phone is confiscated it will be taken to the school office or locked in the teacher's cabinet. The said device will be returned to the student at the end of the day. Second and/or third offense will require the said device to be released to the parent and result in a detention. The fourth offense will result in a suspension for failure to adhere to school policies.

Discipline

The vast majority of discipline problems are to be dealt with at the classroom level. Love and forgiveness will be an integral part of the discipline of a student.

Preschool: When a student displays repeated behavior that endangers him/her, other students, or staff; parents will be contacted and the student must be picked up from school immediately. The student will be placed on warning at that time. If the behavior is repeated again, the parents will be contacted, and the student must be picked up from school immediately. Should the student display the behavior once more, the parents will be contacted, the student must be picked up from school immediately, and the student will be withdrawn from enrollment at the discretion of the Administration. The staff of Trinity Christian School will work with each family to address and correct the behavior to the extent possible.

Bite or Other Serious Incident Policy

Preschool: When a student inflicts a serious bite (one that leaves a mark and/or breaks the skin) upon another student or a staff member, the parents will be contacted, and the child will have a time of reflection with the teacher or staff member. **Upon a second incident within the same 2-week period, the parents will be contacted, and a meeting is required with the Director before the child is allowed to return to class.** Upon a third incident within the same 3-week period, the student must be picked up from school immediately and kept home from school for one week. Upon a fourth incident within the same 4-week period, the student must be picked up from school immediately and will be withdrawn from enrollment at the discretion of the Administration.

Elementary/Middle School:

Grades KP-8th will utilize a three-tier approach to address student behavior.

Tier 1 - Classroom Teacher

Tier 2 - Behavior Coach (KP-5th) or School Counselor (6th -8th) The School Counselor and Behavior Coach will collaborate as needed to address behavior plans for students KP-8th.

Tier 3 - Head of School (HOS) or Assistant Head of School (AHOS)

The goal of the staff of Trinity Christian School is to work with each family to ensure a positive, nurturing and safe developmental experience for each student. However, the Administration reserves the right to withdraw any student from enrollment as it deems necessary for the safety and well-being of all students and staff.

TCS Bullying Policy

Bullying definition for kids:

Bullying is **when you keep picking on someone because you think you are cooler, smarter, stronger, or better than them.** Bullying involves an imbalance of power between the bully and the victim, is intentionally harmful and occurs repeatedly.

Schools Definition of bullying. Bullying is any form of physical, verbal or psychological abuse occurring among schoolchildren repeatedly over a period of time.

TCS Bullying Policy will be based on the above two definitions. The key points being “intentionally harmful” and “repeatedly over a period of time”.

Students are encouraged and empowered to address any student who makes them feel uncomfortable by using the following phrasings, “Please do not do that to me..., I don’t like it when you..., No thank you I do not like when you speak to me that way...” If a student does not respect the request of their classmate, the student is encouraged and empowered to speak to the teacher. The teacher will speak with both individuals together to clarify student expectations. The parents will be informed of the conversation. When determined that a student is still displaying the intent to harm another student, after being addressed by a teacher, this is considered to be repeated actions, and therefore bullying. In the case of displaying bullying, the first incident will result in a detention and discussion session with the Principal or Assistant Principal. The next occurrence will result in a Saturday School and the requirement of a 2–3-page paper addressing what is bullying, the effects of bullying, statistics on bullying and what they will do to alter their behavior. The next occurrence will result in the student being suspended or a possible administrative withdrawal.

In the case of physical abuse, the student shall immediately be removed from class and disciplinary action will be taken. At the discretion of the HOS or AHOS I the student may be issued an immediate suspension requiring them to be removed from campus immediately. In each addressed situation parents will be notified according to the discipline practices either by email, phone conversation, or in-person conference.

Discipline beyond the classroom behavior plan may be necessary at times and will be implemented as follows:

Detention:

KP-8th Grade detentions are a disciplinary action that are served Tuesdays and Thursdays during lunch/recess. A \$5.00 fee will be charged to the FACTS account when the detention is issued. The teacher/administrator will assign the student the detention. The teacher/administrator assigning the detention must notify the parent via phone and email regarding the infraction and the detention date. Accumulation of detentions resets at the beginning of each semester.

Saturday School: Saturday School is a disciplinary action that requires a student to report to school on a Saturday morning in school uniform from 8:30 a.m. – 12 noon. **Saturday School will be held on the 1st and 3rd Saturday of the month.** The student must submit a \$40.00 fee at their arrival time. Failure to pay the \$40 fee will result in the FACTS account being charged \$40.00 per administered Saturday School. Students will be required to complete schoolwork (if attending for missing assignments), community service, or an essay at the discretion of the present administrator.

4. Fighting, i.e. striking in anger with the intention to harm the other student(s) or staff.
5. Obscene, vulgar or profane language.
6. Bullying

They may require detention, Saturday school, restitution, a conference with the parent, or other measures consistent with biblical guidelines which may be appropriate. If for any of the above, or other reasons, a student receives discipline from the Head of School or Assistant Head of School, the following will be observed.

1. The first *two* times a student is referred to Tier 2 or Tier 3 for discipline, the student's parents will be contacted immediately afterward and given the details of the referral and consequences. The parents' assistance and support is requested in averting further problems.

4. **If a *fourth* Tier 3 referral is required, the student may be expelled from the school and/or not allowed to enroll the following school year.**

Suspension

Suspensions are administered by the Head of School and Assistant Head of School.

The student is required to leave the school premises with parent or guardian immediately after the conference. They will receive the reasons for the suspension in writing.

2. A student will be reinstated to class only after consultation with both the student and parent and assurances from them that such behavior and/or attitudes will be discontinued, and that the student will resume his place in the school community with a cooperative and positive spirit.
3. All assignments, quizzes, tests, or exams missed during suspension must be made up.

The Administration shall have the right to suspend a student from class for disciplinary reasons of a more serious nature including but not limited to:

1. Willful disobedience
2. Open defiance of authority to a member of the staff
3. Repeated use of profane or obscene language
4. Other serious breaking of accepted patterns of behavior
5. Any inappropriate physical contact or verbal abuse
6. Repeated misconduct of a less serious nature
7. An attitude not in harmony with the goals and spirit of the school
8. Stealing
9. Forged signature
10. Cheating (M.S.)
11. Accumulation of four (4) or more detentions
12. Bullying

Delinquent Accounts: A student whose account is delinquent 30 days on making tuition payments may be suspended from classes until the Business Manager and the family reach a satisfactory resolution.

Expulsion

The Trinity Christian School Board realizes that expelling a student from school is a very serious matter and should always be carefully dealt with on a case-by-case basis. Forgiveness and restitution are fundamental to our total discipline policy. However, should a student and parents not be able to eliminate behavioral problems before a fifth office visit, the student will be expelled. When expulsion is administered, the following policies shall be observed:

The Head of School shall have the right to expel a student for the reasons including but not limited to the following:

Trinity Christian School believes that a positive and constructive working relationship between the school and a student's parent/guardian is essential to the accomplishment of the school's educational mission. Trinity Christian School accordingly reserves the right to terminate or not renew a student's enrollment contract if it reasonably concluded that the communication of a parent or guardian makes such a positive and constructive relationship impossible. Likewise, if the parent exemplifies non-willingness to follow through with their student's educational/social/emotional goals or needs identified by the school or seriously interferes with the accomplishment of Trinity Christian School's educational purposes; the contract/partnership will be terminated.

The student and parent(s) or guardian shall be notified in person and in writing as to the reasons for the student's expulsion. A student who has been expelled or withdrawn for disciplinary reasons may be considered for readmission to the school only at the beginning of the next school year.

The student and parent(s) or guardian may appeal their case to the School Board only for the reason that the evidence upon which the decision was made to expel was based on inaccurate or insufficient evidence. The appeal shall be in writing and shall be presented to the Principal within three days of the expulsion. The parent/guardian will present their case in a specially called meeting of the Board within 10 days of the appeal.

A teacher may not permanently remove a student from class or school. However, in cases where an emergency situation develops, the teacher shall take such steps as reasonably necessary to insure the continued instruction and safety of other students. The student may be isolated from the classroom and sent immediately to the Administration for discipline.

Re-admittance: Should the expelled student desire to be readmitted to Trinity Christian School at a later date, the school board, or its delegated committee, will make a decision based on the student's attitude and circumstances at the time of re-application.

Non-Reenrollment: At the discretion of the Administration, a student may not be accepted for re-enrollment for the coming school year. Should this be necessary, a meeting will be arranged with the parents to let them know the reason why the student may not be immediately re-enrolled. Refusal to re-enroll is not equivalent to suspension, expulsions or administrative withdrawal. Therefore, if the reasons for non-acceptance are rectified, the principal may allow immediate re-admittance. **Reasons for non-reenrollment include, but are not limited to**

- A. Prior year's GPA of Core Subjects 2.00 or below

Your child is still able to eat what they like in the lunchroom, where a selective seating will be available for students with food allergies. Preschool children eat lunch in their classroom, therefore they are not allowed to have any foods containing peanut or tree nut products.

GRIEVANCE PROCEDURE

****** These guidelines are provided for addressing an unresolved issue or complaint as it relates to the staff/administration or policies of Trinity Christian School. ******

Occasionally issues, concerns, and conflict arise concerning education, behavioral or school environment issues. The grievance procedure provides guidelines for raising an unresolved issue or complaint and having it considered seriously.

Trinity Christian School of Palm Beach Gardens is Christ-centered. Parents, students, teachers and school personnel should feel safe to express their opinions and points of view constructively, honestly and in the spirit of love. Through God's grace and forgiveness, and by the guidance of the Holy Spirit, our grievance procedure is guided by Matthew 18 and Ephesians 4 to reconcile differences and resolve conflict.

"If your brother sins against you, go and tell him his fault just between you and him alone. If he hears you, you have gained your brother. But if he will not hear, take with you one or two more, 'by the mouth of two or three witnesses every word may be established.'" (Matthew 18:15, 16 NKJV)

"Let no corrupt word proceed out of your mouth, but what is good for necessary edification, that it may impart grace to the hearer." (Ephesians 4:29 NKJV)

All grievances and the proceedings set forth below are confidential.

Informal complaints

The Informal Resolution System (IRS) assists you in resolving conflicts, and when successful, the IRS is the timeliest method for resolving conflict, because it deals directly with the individuals involved and employs the process described in Matthew 18:15.

Direct Approach - Address the issue with the person as soon as possible. If the matter is resolved, no further action is required.

If the issue is not resolved, request an appointment with the Head of School or Assistant Head of School for assistance with resolving the matter. A meeting will be scheduled with all involved parties as necessary. If the matter is not resolved, you may submit a formal written complaint to the Trinity Christian School Board.

Formal Complaints

The Executive School Board will receive the complaint and within five (5) working days will acknowledge its receipt and initiate an inquiry as required. Within ten working days following the inquiry, the Executive School Board will report their findings and resolution to the person(s) submitting the grievance.

Family Portal

Family Portal is a private and secure portal for parents that provide academic information specific to each child, while protecting students and their family member's personal information. Family Portal gives busy parents an opportunity to be more involved in their child's academic progress and future success—all via the Internet!
