All work will be due **Monday, August 14, 2023.**

All reading responses must be typed in **Times New Roman size 12 font and double spaced.**

For the ONE assigned book for your grade level, write an essay response **identifying at least 3 themes of the book.** Remember: a theme is a topic that is addressed in the book (such as family, friendship, love, overcoming obstacles, etc.) **and** what the author is trying to say about that topic (for example: the author communicates that it's important for families to stick together no matter what).

Each theme should have at least **one major detail from the story** showing how that theme is present in the book. Essays must be at least **500 words.** Make sure it is in proper essay form, including the use of indents, transitions, and complete sentences.
